Benstrup-

A man wearing a blue jacket, camouflage pants, and glasses, standing on a brick-paved path and looking towards the kiosk.

A man in a dark jacket and dark pants, leaning against the kiosk and looking at a map.

A wooden kiosk with a red-tiled roof. It features a large map in the center, two posters on the right side, and a blank white board on the left. The map is titled "Tropen- & Subtropen-Gezeiten-Maßstab" and shows a green map with red markers. The posters include "PARADISE FESTA" and "NEW Palm".

A grey utility box with two doors, located next to the kiosk.

A woman wearing a black jacket, black pants, and a black cap, pushing a green and black dog stroller. She is loading supplies, including a bottle, into the stroller.
